

Gold Coast Rotary has now staged one 4-hour and four 2-hour Gold Coast Rambles, exploring Southport, Surfers Paradise, Main Beach and last year the cultural precinct around HOTA and Chevron Island.

Two teams have dominated these events, coming either 1st or 2nd each year. These teams besides showing excellent rambling strategy to find checkpoints and complete challenges, have also consistently started with maximum bonus points by raising \$1000 for the nominated charity.

Corporate Challenge

Both teams have registered and have started fundraising. They challenge businesses and Rotary Clubs to match their fundraising and try to beat them this year at a Mystery Gold Coast location.

This corporate challenge will be limited to 20 teams with the goal of raising \$20,000 for Rizeup so that they can continue to assist victims of domestic violence transition back to normal life.

Register Now for Gold Coast Ramble 2022

| | |
